Providing God's Word for the most receptive and least reached in the world!

Our name says it all. **Bibles-4-Children** provides Bibles, Bible storybooks, Gospel literature and other resources for children where there is limited or no access to God's Word. Most children in these areas have never even seen a Bible, let alone have a copy of their own.

Bibles-4-Children is an opportunity for you to help provide Bibles and other Gospel resources to children throughout these spiritually dark places.

Those between the ages of 4 and 14 are the most receptive to the Gospel than at any other time in their lives. Some have called this the "**4/14 Window**." Over 85% of those who receive Jesus as their Savior, do so during this 10-year span. These are also the years when every person develops their lifelong impressions of God.

We estimate that for every Bible or Scripture portion that is distributed, at least 20 others will read it or be influenced by it. And because of the dynamic nature of the Word of God, as well as the receptivity of the children who are reading it, we estimate that a minimum of five people will come to faith in Jesus Christ.* Our desire is that no child would slip past the age of 14 without a valid opportunity to encounter Jesus.

Bibles-4-Children is committed to providing Bibles and other Bible-based resources to the millions of children living in the Muslim, Hindu and Buddhist regions of the world. Thousands of Bibles, Bible storybooks and Gospel literature is being placed into the hands of children living in these regions... yet millions more are needed.

It only takes about \$5.00 to place a Bible into the hands of a child. Your gifts will help make the Scriptures available to those who have never had an opportunity to hear the Gospel. **You can make a difference!**

Join us and others who are making the Scriptures available to the "least of these." **Together we can provide God's Word for the most receptive and least reached in the world — children.**
