

THE LION PROJECT

WHEN A STUFFED ANIMAL
CONTAINS **MORE THAN FLUFF**

The Lion Project is a solar-powered, digital audio player placed into the pocket of a stuffed animal. Each audio player is loaded with up to 800 hours of audio. Content includes the entire Bible, Bible stories, and Bible lessons in their own language.

Bibles-4-Children is part of a distribution project that is providing these cuddly animals to refugee children in Lebanon, Jordan, Turkey, Egypt, Iraq, Burkina Faso, Togo, and Pakistan who have been devastated by war and violence.

Imagine the impact. **When a child receives a stuffed animal, they also receive the truth of the Bible.** These soft, lovable toys comfort children and let them know they are loved and not forgotten. Combined with God's Word and you have a powerful tool with eternal results.

Each Lion costs about \$100 to produce and distribute and will impact up to 20 other people — parents, siblings, extended family and friends. **Currently, we have influenced over 100,000 children and families with the Gospel!** A small investment for such a tremendous impact.

Make an eternal difference in the lives of children and families. **Call 770-217-1803 or visit the "Get Involved" section of our website at www.Bibles4Children.com.** You can also send donations directly to the address below. (Make all checks payable to Bibles-4-Children.)
